About the Property:

This home features drywall rounded corners throughout, with a bright and welcoming open concept floor plan. The spacious kitchen features an eat-up bar, and flows directly into the dining area and living room. The living room offers a gas fireplace and a large window with an abundance of natural light. There is also a 2-pce bathroom and a laundry room that completes this level. Heading upstairs you will find 4 bedrooms and 2 baths. The primary bedroom features large windows, a walk-in closet, and an ensuite. The additional bedrooms are spacious with large closets and windows. The basement is completely developed with a gas fireplace, including a rec room, a bedroom, and a beautifully renovated 4-pce bathroom. The oversized landscaped backyard is fully fenced, with a deck! Finishing off this beautiful home we have a double attached heated garage with plenty of overhead storage, and the electrical capability to plug in your EV vehicle.
